Take a Walk on the Ice Side

Glacier hike through a wonderland of ice sculptures

24.900 ISK

Duration: 09:00 - 19:00

Within a little less than two hours drive from Reykjavík is Eyjafjallajökull glacier, and just a little further the Sólheimajökull glacier tongue extends down from Mýrdalsjökull, Iceland's fourth largest glacier.

A glacier hike is a great way to experience Icelandic nature. We take an easy glacier walk on crampons up on to the ice field
